Art. 103, point 2, of the decree 18/2020, named “Cura Italia”, states that all permits, however named, expiring between January 31 and April 15, shall remain valid until June 15.

It is an extension of validity for all purposes of the Law.

At this dramatic time foreign nationals may therefore not worry about residence permits and like everyone to stay at home as much as possible to protect themselves and the community.
