COOP. SOCIALE

Residence permits shall remain valid until 31 August 2020 for all legal purposes

Are also extended until 31 August:

- The time limits for the conversion of residence permits from study to subordinate employment and from seasonal work to not seasonal subordinate work;
- Residence authorization (entry visas, etc.);
- Travel documents;
- The validity of the nulla osta (clearances) issued for seasonal work, for family reunification, for work - particular cases, among which research, blue card, transfers between companies, etc. ;
- Residence permits for subordinate work, waiting occupation, self-employment, family, training, job search or entrepreneurship of students;
- Requests for conversion.

Residence permits for seasonal work, due to expire between 23 February and 31 May 2020, are instead extended to 31 December 2020.
