

A triangular grid of 100 numbered squares, arranged in 10 rows of increasing length (1 to 10 squares per row). The squares are numbered sequentially from 001 at the top to 100 at the bottom. The grid is overlaid on a map of the United Kingdom, with the squares covering the landmass. The squares are colored in a repeating pattern of light blue, light green, and light orange. The square numbered 087 is highlighted with a red border.
