DD 230P

MULTIPURPOSE DEHUMIDIFIER

DE'LONGHI COMFORT

- 30l/d*
- Patented Pump Device
- Continuous Drain System
- 7l water tank with water level window
- Eco-friendly gas
- Electronic LCD Display
- 3 way to collect the water:
 - 1) Tank
 - 2) Drain System
 - 3) Pump
- 2 fan speed
- Transparent and removable water tank (capacity: 7l)
- Electronic anti-frost device to work at low room temperature (2°C)
- 360° direction castors
- Continuous drainage hose provided
- Hygrometer and thermometer
- Integrated handle to maximize appliance portability
- Auto-restart function
- "Tank Control System": the unit stops when the tank is full
- 24h ON/OFF timer starting from 1h

PATENTED PUMP DEVICE

Patented Heavy Duty Pump System to pump up to 5m height the water out without any need to empty the tank

DRAIN SYSTEM

For removal of moisture without any need to empty the tank.

475 TIMES ECO-FRIENDLY**

Refrigerant gas R290 is up to 475 times more environmentally friendly than traditional gases**.

WIDE LCD DISPLAY

Wide LCD display with 24h timer, to adjust room humidity and monitor relative humidity and temperature and manage all the product functions.

WATER LEVEL WINDOW

Visible water level in the large 7 liter tank

DEX 216F

MULTIPURPOSE DEHUMIDIFIER

DE'LONGHI COMFORT

- 16 l/d*
- Anti-Dust and Anti-Allergy filter
- Asthma and allergy friendly certified
- Protect Your Home and Family
- Only 40 db perfect for bedrooms
- 475 times more ecofriendly **
- New multipurpose dehumidifier: not only it removes humidity in excess, but also helps to dry up your clothes and contribute to clean the air you breath
- **Transparent and removable water tank (capacity: 2.1 l.)**
- Dry Clothes function
- Electronic anti-frost device
- Continuous drainage hose provided
- Integrated handle to maximize appliance portability
- Auto-restart function

SILENT	DOUBLE FILTRATION	AS CERTIFIED	475 TIMES ECO-FRIENDLY**	CLOTHES DRYING FUNCTION	DRAIN SYSTEM
Extremely quiet without compromising its dehumidification capacities, DEX216F is suitable for the bedroom.	Improving air quality thanks to a double filtration system: a dust-filter and a removable allergen filter that captures various allergens.	The CERTIFIED asthma & allergy friendly™ Mark is a Registered Certification Mark of ALLERGY STANDARDS LTD	Refrigerant gas R290 is up to 475 times more environmentally friendly than traditional gases**.	With the clothes drying function, the DEX216F helps reduce laundry drying times.	For removal of moisture without any need to empty the tank.
