Definizione di rifugiato

È rifugiato chi *“temendo a ragione di essere perseguitato per ragioni di razza, religione, nazionalità, appartenenza ad un particolare gruppo sociale o per opinioni politiche, si trova fuori dal paese del quale è cittadino, e non può o, per tale paura, non vuole avvalersi della protezione di questo paese”*.

(Art. 1, Convenzione di Ginevra 1951)

Qual e' la percentuale di minori?

52% DI BAMBINI

Nel 2017, circa metà della popolazione rifugiata era costituita da bambini sotto i 18 anni, in aumento rispetto al 41% del 2009 ma in linea con l'andamento degli ultimi anni.

Alcuni dati

13.6 MILLION NEWLY DISPLACED

An estimated 13.6 million people were newly displaced due to conflict or persecution in 2018. This included 10.8 million individuals displaced² within the borders of their own country and 2.8 million new refugees and new asylum-seekers.

37,000 NEW DISPLACEMENTS EVERY DAY

The number of new displacements was equivalent to an average of 37,000 people being forced to flee their homes every day in 2018.

4 IN 5

Nearly 4 out of every 5 refugees lived in countries neighbouring their countries of origin.

16%

Countries in developed regions hosted 16 per cent of refugees, while one third of the global refugee population (6.7 million people) were in the Least Developed Countries.

3.5 MILLION ASYLUM-SEEKERS

By the end of 2018, about 3.5 million people were awaiting a decision on their application for asylum.

2.9 MILLION DISPLACED PEOPLE RETURNED

During 2018, 2.9 million displaced people returned to their areas or countries of origin, including 2.3 million IDPs and nearly 600,000 refugees. Returns have not kept pace with the rate of new displacements.
